*"Life is challenging but HOPE brings light in all situations."*

## Our Year in Summary:

What a different year 2020 has been. Covid has certainly made us look at the world and how we operate from new perspectives. I'm so grateful that we live in Australia, and more so being in WA. We truly are blessed here. My thoughts and prayers go to all those that have or remain affected by the Covid pandemic.

There has been no doubt that many businesses/families have suffered, but I'm also encouraged to see our fighting spirit. How we've adapted; shown initiative; been inventive and creative. True testament to people's strength in times of adversity.

We trust that you are looking forward to Christmas and New Year and this may bring some much needed cheer. Stay safe this festive season. We look forward to welcoming 2021.

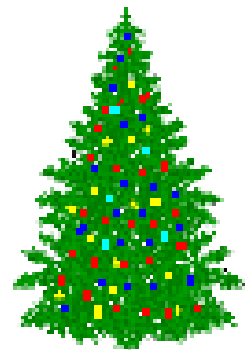

## TRINITY BUSINESS HUB

WOW .... This year saw Karen's vision of many years come to life!

Trinity Business Hub has seen our office expand as we welcomed Amanda Liston Legal to join us along with Alldone Bookkeeping.

Between us we now offer services in the following areas:

- Accounting
- Book Keeping
- Legal services—estate and will

We think our new signage is amazing and hopefully makes it easier for you to find us!

## ACHIEVEMENTS & FUTURE GOALS

TAS continues to serve our clients with highest possible professional conduct. I believe we demonstrated this in the training and learning required to assist our clients through the many Covid schemes—jobseeker; cash boost; job keeper.

We celebrate a year of service by Lisa and Natalie. I (Karen) wish to take this moment to extend a huge thank you to both Lisa and Natalie who go over and above what's required as TAS duties. Thanks Ladies much love xxx

Trinity Business Hub

### **FUTURE:**

TAS is hopeful that 2021 will see us expand our team. With the vision of providing greater opportunities to our client services and our overall business strategies.

## CHRISTMAS CLOSURE

Our office will close at 5pm Tuesday 22nd December 2020, we look forward to welcoming you back from 9am Monday 4th January 2021. Stay safe and well.
